

Dear Parent/Guardian,

Your student has registered for a CollegeNow Online class – one of the services we offer through **CollegeNow@TC3**.

The CollegeNow Online program is the culmination of years of partnership between TC3 and the high schools in our local area. Through our concurrent enrollment program and our other efforts to partner with local high schools, we have come to understand the needs of high schools and their students in Upstate New York. Annually, TC3 touches the lives of over 3,700 high school students by enrolling them in one of our programs.

Driven by the prestige and expertise of the largest university system in the United States, **CollegeNow@TC3** offers high school students a seamless pathway into their college education and offers parents opportunities for support and growth. Students are able to take these courses to achieve savings on college costs and a head start on the college transition.

These courses are taught online by TC3 faculty and are also open to TC3 students. They are offered at a reduced tuition and carry full college credit from TC3. These courses follow the TC3 semester calendar. You may work with your high school to have these courses approved for high school credit toward graduation.

Visit our website, [www.tc3.edu/collegenow](http://www.tc3.edu/collegenow) for: TC3 semester calendar, course options, online tuition costs, FAQ and an example of how some high school students in our area have been able to graduate high school with 30 college credits they earned through the concurrent enrollment program.

What awaits you as you explore the potential of CollegeNow for your family is more than a collection of courses. Our program has been designed with you in mind. You will find:

- **College courses taught by State University of New York faculty that will generate a transcript you may transfer to the college of your choice.**
- **Asynchronous learning – meaning you learn on your schedule.**
- **The opportunity to interact with students from around the world in sections smaller than 20 students per class.**
- **Courses for parents to help create a safer and more effective learning environment for your child. (Visit [www.tc3.biz](http://www.tc3.biz) for our current selection of courses)**
- **Help with Test Prep, applying for college, working with your school district and choosing the right courses for your student (visit [www.tc3.biz](http://www.tc3.biz) for our current selection of courses).**

Whether you want to expand your learning opportunities, fill curriculum gaps, or get a head start on your college degree, CollegeNow@TC3 is designed to help make your child's high school experience more successful. Our team of professionals at TC3 is looking forward to working with you and answering any questions you may have about CollegeNow. Free feel too e-mail questions to [collegenow@tc3.edu](mailto:collegenow@tc3.edu) or call us at 888-567-8211, ext. 4396.

Best wishes,

A handwritten signature in black ink that reads "Karl F. Madeo".
