<u>MATH132</u>	<u>3</u>

Comments: _____

I understand that I have been placed on academic probation because my academic progress is below the minimum standard of the College and that continued low performance will have additional consequences. I have discussed this agreement and the "Standards for Academic Progress" during this interview. I also understand that it is my responsibility to inform the College of any address change so that notifications regarding my academic status will reach me. **I agree to comply with the above conditions of my probation.**

Sample Student 6/1/10
Student's signature Date
Katrina M. Campbell 6/1/10
Interviewer's signature Date

*It is suggested that at a minimum the student meet with the advisor after the submission of mid-semester progress reports and prior to registration for the next term.
