

ARTICULATION AGREEMENT between
Tompkins Cortland Community College (Biotechnology Program) and
Onondaga-Cortland-Madison BOCES (Laboratory Technician Program)

This articulation agreement has been developed to meet the needs of students who are pursuing the Laboratory Technician Year 1 and Year 2 Certificate at Onondaga-Cortland-Madison BOCES and will continue their education at Tompkins Cortland Community College. This agreement certifies that previous learning experiences at Onondaga-Cortland-Madison BOCES can be transferable to Tompkins Cortland Community College, when additional agreed upon conditions have been met by the student.

Secondary Courses Certified

Laboratory Technician Year 1 and Year 2 courses offered during students' junior and senior years at either the Henry Campus or McEvoy Campus of Onondaga-Cortland-Madison BOCES.

Comparable Tompkins Cortland Community College Courses

Up to three (3) credits, including a 1-credit laboratory course (BIOL206: Molecular Genetic Techniques, *or* BIOL221: Cell Culture Techniques) *and* the 2-credit BIOT295: Biotechnology Seminar, will be granted, if the conditions listed below are met.

Conditions For Awarding Articulated Credit

Tompkins Cortland Community College has agreed to grant college credit for students completing the Laboratory Technician Year 1 and Year 2 courses at Onondaga-Cortland-Madison BOCES. The particular credits that have been articulated are listed above.

The following criteria must be met in order for a student to apply for articulated credit:

1. The student must have completed both the Laboratory Technician Year 1 and 2 courses with a grade of "C" or better, or 70% or better.
2. The student must matriculate in the Biotechnology A.S. Degree or Biotechnology Certificate program at Tompkins Cortland Community College.
3. The student must pass Tompkins Cortland Community College course BIOT101: Introduction to Biotechnology.
4. Lastly, the student must meet with the Program Chair of Biotechnology, who, after verifying that the above requirements have been met, will forward the documentation to the College Registrar who will grant credit for the appropriate laboratory course (BIOL206 *or* BIOL221) and BIOT295 (Biotechnology Seminar), which will be entered on the student's transcript.
