This 2002 Graduate Profile describes the activities of the August 2001, December 2001, and May 2002 graduates of Tompkins Cortland Community College. These graduates join the many other College alumni making significant contributions to our community. We hope the information in this report will be helpful to faculty, staff, students, and alumni as a resource documenting the success of graduates attaining their goals.

Many individuals are responsible for creating this report. I wish to acknowledge the efforts of the following people who were responsible for the accurate compilation of the data and made this report possible: Jane Hammond (Associate Dean for Academic Planning and Research), Lisa Payne (Research and Planning Analyst) and Lynda Swafford (student worker). I also wish to acknowledge the staff members from the Counseling, Career and Transfer Services department who were responsible for collecting information and coordinating the follow-up survey: Linda Hazard (Administrative Assistant) and Ramona Clarke (Secretary); and the TC3 Duplication Department, which printed the Graduate profile.

Thank you all for your outstanding efforts.

Jim Hull
