Selected Comments

The complete transcript of comments are available from the TC3's Institutional Research Department.

“I think that overall my experience with TC3 was excellent.”

“As a non-traditional student at TC3, I had a lot of concerns about going back to school. After only a short time, your staff and faculty made me feel at home and secure about my decision. It was the smartest move I have ever made.”

“TC3 was the stepping stone I needed to enjoy the success I experience today.”

“I shall always appreciate TC3. Three years ago, I came to the U.S. By taking classes in TC3, my integration to the society is much more easier than I thought. Most of the professors are so nice and diligent. The learning experiences is very enjoyable. I learned a lot.”

“I believe that TC3 has been a good stepping stone. I have learned many valuable skills such as time management and study skills. I feel that when I do decide to work on my Bachelor's at Syracuse or Cornell

that I will do much better having learned the skills mentioned above.”
