Fall 2009

Student Advisory Board—Opportunities to Get Involved—Fall 2009

*Join us in creating a strong,
student interest based community*

The Student Advisory Board is the voice of students at Tompkins Cortland Community College. As the representative arm of governance for students it acts as a liaison between students, staff and administration. It seeks out student interest and acts as advocates. It communicates with all students and encourages a strong sense of **community**. You will spend many hours here working, studying, and determining the direction of your future. You will also become part of our **community** and it is important to be active in your **community**. Involvement can take many forms, you can serve on College committees, join a club or consider running for a position on the Student Advisory Board (SAB).

Student Representatives

Student Advisory Board

The Student Advisory Board consists of 9 members. 4 members, Joey Bacorn, Amanda Hersey, Patty Van de Bogart and SungHun Yoo were elected during the Spring 2009 election. Five more students will be seated through a fall election process. Candidates are expected to be attending classes on the Dryden campus, paid an activity fee and willing to devote time and energy into making our **community** one that has a strong, student interest based direction. Meetings are held once a week, on Fridays at noon.

In addition, a Student Representative to the College Board of Trustees was elected during the Spring 2009 election. Evan Gaetano will sit as a full voting member for the academic year.

TC3 is embarking on a period of change. New construction, new planning strategies to determine the direction of the college's future, and expansion of program offerings have created a deep need for student voices to be heard.

*What direction will
your involvement take?*

We urge you to get involved and advocate for your **community**.

I'm Interested in Involvement!
